

WABASH COUNTY UNITED FUND

Dear Community Partner,

No one in Wabash County should have to wonder where their next meal will come from. Yet with the recent SNAP benefit freeze, more families than ever are turning to local food pantries for support and those shelves are being stretched thin.

Wabash County United Fund has launched a response with a SNAP Assistance Fund, a coordinated community effort to ensure every neighbor has access to food during this critical time. We've created a dedicated [Food Resources](#) page on our website to keep all local food information in one easy-to-find place. Please share it with your employees, neighbors, and friends. www.wcunitedfund.org/food-resources Together with local partners and pantries, we're working to fill immediate gaps and build sustainable solutions that keep food on tables countywide.

We're asking for your partnership to strengthen this response. Your contribution will:

- Provide direct financial support to local food pantries and meal programs
- Help secure and distribute food supplies during increased demand
- Ensure families facing hardship have access to essential nutrition and stability

100% of donations stay local — right here in Wabash County!

You can make an impact in one of the following ways:

- **Donate online:** [Zeffy – Giving to Grow](#)
 - Check the *SNAP Assistance* box
- **Venmo:** [@wabashcountyunitedfund](#)
 - What's this for?: *SNAP Assistance*
- **Mail a check:** Payable to Wabash County United Fund, PO Box 2, Wabash, IN 46992
 - Memo: *SNAP Assistance*

If your organization would like to collaborate or discuss a targeted gift, please contact me directly at kdale@wcunitedfund.org or (260) 563-6726.

Together, we can make sure every family in Wabash County has food on the table. Thank you for standing beside our community during this SNAP crisis and helping when it matters most.

With heartfelt gratitude,

Kelli Dale
